The human vagina is an elastic, muscular canal that extends from the vulva to the cervix. The opening of the vagina lies in the urogenital triangle. The urogenital triangle is the front triangle of the perineum and also consists of the urethral opening and associated parts of the external genitalia. The vaginal canal travels upwards and backwards, between the urethra at the front, and the ...

Second, people can develop and improve their management skills through practice. Managers learn on the job and the wider the experience the more skilled the manager gets handling operational, human and technical matters. Third, management skills are interrelated and overlapping – in other words they need combinations of skills.
