Vince Vespe admits that dating a German woman - and perhaps hoping to make points with her father, a Volkswagen owner and aficionado - influenced his decision to buy a red, white-topped Volkswagen Karmann Ghia convertible in 1961. As it turned out, his relationship with the German car outlasted the one with the German woman.

My Other Car Is: A 1965 Volkswagen Karmann Ghia - The New ...

I'd recomend this over a 911 engine/tranny swap. first ther 911, engine is quire a bit longer than a stock Ghia engine, so much so that it'd take some major body mods to make it fit. I saw a 911 swapped into a VW van some time back, the rear wheels had to be moved forward 10 inches to accomadate the extra length.
