Volvo Penta products or product versions. Make sure that the correct workshop literature is used. Read the following safety information and the General Information and Repair Instructions in the Workshop Manual carefully before starting service work. As a rule, all service work should be performed on an idle engine. Some work, e.g. certain ad-

Volvo Penta Workshop Manual - Marine Surveyor Ontario

As I expect my next boat to be a diesel stern-drive I read with some alarm that In this months Powerboat & Rib magazine they have a guide to buying Second Hand Boats which says ""That a full service on a stern-drive will be around £500 a year"". Is it really that expensive ?. The boat I have

just sold had a shaft drive which needed no maintenance whatsoever during the 6 years I had it.
