I have a build-your-own-boat (a large steel hull with a BMC diesel engine (don't know the type) in it). I would like to know a lot more about this particular engine, but I don't have any information about it. Now, it seems that it is a rather simple engine (around 1970-1975), but I would like to know a little more.

**Old Marine Engine: BMC diesel engine manuals**

Please note that BMC diesels must use an approved diesel engine oil, running it on 20/50 will

eventually gunge up the engine. I have seen engines destroyed in this way due to blocking of oilways!. I have seen engines destroyed in this way due to blocking of oilways!.
