Your YouView Guide - Amazon Web Services

As many of you will have noticed there's been news coverage of a new Huawei box as well as the new Humax box. Strangely there seems to be very little info about it. It's supposed to be available from Amazon, Maplin and Ebuyer but it is currently only showing on Maplin's website. An observant member of the Digital Spy forum has spotted this:

New Huawei box — YouView Community

A user manual will show you all important operating steps and correct handling with the product. All the useful information published in a user guide should be easy to read, so that you be able to understand all technical operating instructions.

Home - YouView

Check the internet is working in your home. Use the Wi-Fi or an Ethernet cable on a mobile or laptop, to see if you can connect. It is worth noting that YouView boxes do not have built-in Wi-Fi so we would recommend using powerline adapters if the box is located away from the router. This ensures the box has a strong and stable connection when watching Internet channels or on demand content.
