Battlefield 4 2013 Video Games with Manual for sale | eBay

No, there is no way have the old controller layout. I am not happy with this either but as of now there is no way around this.. there is a "veteran" setup option in the controller options which changes gas/brake from the left stick to L1/R1, which is a little closer to what you would be familiar with from battlefield 3 but it seems that the whole controller layout is based on an R2 spot button ...
