Oil Overfill :(- BMW M5 Forum and M6 Forums

My car has developed an oil leak. It's probably only about 2-3 drops per day but none the less over time it pools on the skid guard below and then makes a huge mess on the bottom of the car once the wind hits hit. Two weekends ago I cleaned everything in hopes of determining where it is coming from. Due to gravity I assume the highest point I notice the oil is most likely where it is leaking from.
