This is about the 612UA, not the other models out there. This one does not have a remote or blue tooth so if you want that do not buy the 612UA. I still use a flip phone and don't know why a remote is necessary since the radio is less than arms reach when sitting in the driver seat, but hey some people need all the bells and whistles.

I have purchased two different BOSS head units and the reception on both is abysmal. This one is on its way back for a refund. The clock is not mentioned in the user manual. I have found instructions to set it on the internet by other users, but they did not work on this one. The clock is only visible for about 2 seconds.
