Browning Owners

I had come across an issue when assembling my Maxus from cleaning, the Hammer would not always cock back. Sometimes it would be effortless and other times i would have to take it out a couple times until it cocked back. after looking into it further it seems that the arm that extends off the hammer must sit just right on the recoil tube otherwise it will never cock back for you.

Browning Maxus Shotgun Troubleshooting | Browning Owners

Congratulations on your purchase of a Browning ® Maxus reel! This reel is manufactured with the

highest quality components and has been extensively tested to ensure that your day on the water is more productive. Please take a moment to familiarize yourself with the integrated performance-enhancing features of this reel before use.
