I have a Bauhn TV that's been working fine up until I thought I'd get clever and was playing around with the remote. After reading the instruction manual I think I've hit the green button. The manual tells you that the screen will go blank (I've got sound) but doesn't tell you how to reverse the process.

Bauhn is the Aldi house brand for certain home entertainment electronics. An Australian-based company, Bauhn seems to focus mostly on speakers and headphones, with the occasional TV thrown in. (Other Aldi home electronics, like computers and tablets, fall to the German-based Medion.) Reviews of Bauhn products, as best as we can... Continue reading
