The First & Main Coalition. Mayors, city councilors, town leaders, county executives and commissioners, tribal leaders, and other local elected officials from across America are calling on the federal government to support and partner with their local communities by enacting this Blueprint.

Blueprint - First and Main

I've run into some trouble when trying to catch signals in a blueprint. I can happily write the 'connect signal' code in my main __init__.py file but I'd like to write the signal listeners in the relevant blueprint so as not to have the main create_app method cluttered with blueprint specific code. Currently I have this [simplified] working code:

python - Catch signals in Flask Blueprint - Stack Overflow

Product Overview. Improve Officer Safety and Efficiency Officers are constantly occupied with technology and other distractions that require a shift in concentration and a refocus of the eyes and hands. bluePRINT allows officers to stay focused on the task at hand while keeping their eyes on the road and hands on the wheel.
