VOLVO PENTA AQ125 AQ145 A Workshop Service Repair Manual

I have a Volvo Penta AQ125A engine in my boat, this is a standard 4-cylinder gasoline engine made in 1984. Is there an equivalent engine in a Volvo car? I need a piston kit and if I order it through a marine dealer the prices are terrible. I have found a good Volvo parts dealer but if I can't provide a vin number they will not help.

What is the Volvo car engine equivalent to that in a boat?

With Volvo Penta's wide range of perfectly matched accessories, you can make your boating experience even more enjoyable. And whether you have a powerboat or sailboat, there is always a genuine Volvo Penta propeller designed entirely for your driveline and your driving pleasure.
