I had the same power problem as everyone else here is the letter I sent to Zenith. Last year in April 2005 I purchased the zenith XBS444 home theater system, almost immediately it started intermittantly turning itself off, the problem went away for a time and then almost the minute the warranty expired, it came back for good.

**Zenith XBS444 250-Watt Home Theater System with ...**

Recently I bought a Samsung 50" DLP TV with a Zenith Home Theatre system and I have a combination VCR/DVD. I hooked everything up so that when I watch VCR/DVD's the sound comes through Zenith system. My problem is that I can't seem to get the Zenith system to work with my TV. I would like to use the Zenith system if I watch just TV or VCR/DVD.
