I have a Mitsubishi 65" rear projection TV, model number WS-65315, purchased new in 2004 for \$2200. It has worked perfectly for 7 years with no repairs having been done, but now it won't turn on at either the remote control or at the switch on the TV. I have tried several different sets of batteries, I have checked the setting on the remote control to make for sure that it was on TV, and I
