Specifications - John Deere

Re: Yanmar 22 hp 3TNA72UJ3 Looking in my manual for the F series, I don't see anything with same engine # but I suspect this engine is somewhat special for JD. And like with Mike's comments, the 72 is the bore in mm and was found on the F15 models, 3T72H-N. Likely engine HP is in the 17-18HP range.

I have the 220 series Yanmar service manual in print. I do know the engine is longer, would that mean that the fan would hit the radiator, or that the pto clutch would be to far forward and the valve cover would hit the battery or all of the above. I'm not worried about the pto or battery.

Oil Pan for JD 455 or Yanmar 3TNA72UJ3 When is a good deal not a good deal? When you get it home and the next day there is a small oil puddle under it. I just purchased another 455 for the second home and it has a nasty oil leak. Further investigation found the leak coming from the "JB Weld" or similar product smeared around the oil pan drain ...
