I'm thinking of buying a 1986 Bayliner capri with a Penta aq131-275 engine. I'm going 8 hours away to check it out and would like to have some info on what to check out. It's my first boat purchase and don't want to buy something that isn't worth the time. The owner said that he hasn't started for a year and that now the starter only clicks.

Volvo Penta AQ131 newbie questions - Boat Repair Forum

Re: Volvo Penta AQ131A + 275 can't tell you what prop is right until you test the boat. There are a few electronic ignitions out there. Just go by your engine model number, AQ131A. It uses mechanical advance, springs and weights, to advance the timing.

I just replaced the water pump on my Volvo penta aq131a because it was leaking onto the belt. I just attached the hose and started the engine and noticed there was no water coming out of the exhaust. Any idea why this is happening? I don't want to burn up the motor. Thanks in advance for your help.
