Hydraulics System Test - posted in General Helicopter Forum: Had a student ask this today. What is the purpose of a hydraulics system test (switch off, move cyclic, switch on, move cyclic)? I didnt have a good answer for him. Best guess is that the manufacturer just wants to see the hyd sys cycled. Make sure it will come back on again. Never heard the why behind this test.

Hydraulic Test at Idle or 100% in a Bell 206 - posted in General Helicopter Forum: Interested in your views - the Bell 206 flight manual calls for a Hydraulic Off Test at 100%. We are testing here for a hard over of course - but in the case of an actual hard over where you are not holding on very tight then isnt the machine going to fly off the ground and hurt us?
