babycook pro | eBay

Beaba Babycook pro-Sorbet is not expensive and not cheap as well. Our organic baby food costs a lot per jar. If we consider how many jars we would have to buy if we don't cook at home we would quickly see that this device would pay off the investment within a month. Its design and material of its components definitely justifies the price.

Beaba BabyCook Pro - Snuggle Bugz

The BEABA BabyCook is a steam and blender baby food maker with two containers for cooking and pureeing. This product scored below average and disappointed in key tests like puree quality and health and safety. While the idea of an all-in-one product is attractive, this option requires transferring the food from the cooking to the pureeing ...
