Yanmar 1GM10 Raw water pump impeller & service kits

In a prospective boat is a Yanmar 1GM10. A common engine for boat built in the mid 80's I gather. This particular engine has no history other than the engine number (04033). Can someone with some knowledge let me know a few things please. If it is original and therefore about 25 years old, is it likely to be on the way out or will it continue to provide useful service if maintained well?
