User manual - Support | HTC United States

I have to go to the Verizon residential sign-in with the user name and password I have thereto see my email on the Verizon Yahoo email page. I also tried Yahoo and other email and tried all options in manual setup with no results. I would think that a Verizon.net email address would register via the Verizon email offered on the phone options.

HTC Thunderbolt email - Verizon Community

I bet it is in the big online user manual, but how does a person setup the Mobile Hotspot on the Thunderbolt? I haven't had a chance to download the manual yet. Since the Hotspot is free until May 15th, I thought I would at least try this feature on the phone. My Eris didn't officially support it. There was no way I was going to try it on the Aria.

Correct Answer: How do you setup the Mobile Hotspot ...

Understanding this User Guide The sections of this guide generally follow the features of your device: • The safety information beginning on page 84 provides the important information that you should know before using your device.
