If I had it in front of me, with the zone amplifiers and speakers, I could sort it out in less than an hour without a manual and assuming all the parts were there. Otherwise each built in system is going to be a bit different in the actual execution, contacting Bose direct and buying the manual or buying the manual on Ebay is still an alternative.

**Where can I get a free manual for Bose Built-in invisible ...**

Yes, the old Bose Built Invisible products are so different its a little mind boggling. Plus, when you call into their tech support (which is usually very good) you may get multiple answers. The last time I worked with one of those old systems, I had to call in multiple times and each a different guy and each guy a different answer, but still ...
