Hi All, I'm a new boat owner. My boat is a 1990 Larson 170 All American With a Volvo Penta AQ 131 C. The outdrive has SP/CD on it. It uses a left hand prop. I'm having vibration issues when turning, thats getting worse. I plan to rerpplace the drive shaft bearing as well as the u-joints and all bellows. I need to know which outdrive I have so I can order the right parts.
