Found Examples of Bad Instructions. 11/2/2012 ... Jessica Adams English 393BL Instructions The worst set of instructions I have ever encountered did not have written instructions, and the company could not possibly have tested the instructions to see if they were adequate. I had purchased a three drawer dresser.

### **Found Examples of Bad Instructions - English 393BL ...**

We've all, at one time, had to put together or install a product by using an instruction manual. I'm conducting a poll as research for my company. We create industrial control panels and installation guides. The person who drafts and writes the copy for our instruction manuals is a wonderful draftsman but his writing skills are well...less than perfect.

### **Best and Worst Instruction Manuals...? | Yahoo Answers**

Probably the best and worst part of this piece of flat pack furniture is its adjustable shelves. For some reasons most clients have trouble setting them up properly without having an extra bolt here and there. Another reason why the BILLY / OXBERG Bookcase is one of IKEA's harders to assemble items is the fact it requires fixing on the wall.
