I have been searching for a workshop / repair manual for the Hyundai Atos 2002 model for quite a long time but to no avail. The local agents in Malta for Hyundai refused to sell it to me and the Hyundai mothercompany didn't even bother to reply my mail. At least you got a quote of the cost of the manual. I still need to obtain this manual.

Hyundia Atoz | DIYnot Forums

To check and adjust the valve clearances, the valve cover is removed, the engine is manually rotated, and each valve clearance is measured and adjusted as required. Mechanics' Corner: More Technical Detail. To ensure longevity and proper operation, the engine valves require a specific amount of clearance (sometimes referred to as "lash").

Valve Clearance Check and Adjust - repairpal.com
