2.3 organise, analyse and interpret relevant outcomes LO3 Be able to evaluate the project outcomes 3.1 use appropriate project evaluation techniques 3.2 interpret and analyse the results in terms of the original project specification 3.3 make recommendations and justify areas for further consideration LO4 Be able to present the

Unit 3: Project Design, Implementation and Evaluation

Typically a project will have 3 or 4 milestones. Milestones are usually sign-off points e.g. Terms of Reference, Design Sign-off, , Draft website, Final Handover. Denote your milestones with a diamond (see example Gantt chart above). In industry if a milestone is missed it is a sign that the project is seriously behind schedule.
