Vw Touareg Manual Transmission

Volkswagen Models With Manual Transmission. It may seem like manual transmissions are going extinct, and have been for decades, but this rule doesn't apply so much to Volkswagen. We still believe in some of the pure aspects of driving, and that is why we're happy there are so many Volkswagen models with manual transmission.

Volkswagen Models With Manual Transmission

yeah i was really pissed that vw would actually put a toyota transmission in these trucks what were they thinking? but any ways thanks for all your guys help i found the VW part # 08D300046A, considering it 10,000 dollars i dont think i want to do a manual swap anymore, and thats not including clutch, flywheel shift linkages, and the list only goes on from there.

6 speed manual transmission - Club Touareg Forums

Your manual transmission can take a heck of a beating over the years and it is one of the most neglected service areas on a car. The fluid assists in the lubrication and heat disputation of the transmission, and even though it is in a closed environment, the fluid can become old and contaminated.
