The official Volvo Manual app contains owner's information for selected Volvo models from model year 2004 and later. Amongst other things, the app allows you to: • Search information via keyword or category, or via visual navigation. • See video clips that explain how to use some of the functions in your car. An Internet connection is required the first time the app is used and for ...

**Volvo Manual - Apps on Google Play**

Run-off road Mitigation can detect if the car is about to leave the road unintentionally and can then use steering and, if necessary, brake support to guide the car back onto the right path. If the car does leave the road then Run-off Road Protection – another Volvo Cars innovation – reduces the

chances of serious injury.
