What I have learned in this process is that you need everything manual (not automatic) to truly learn the ins and outs of photography. Otherwise, you rely too much on the automatic features of a camera, and therefore do not learn how to do it yourself. By the way, this camera comes with the worst owner's manual ever published.

### **Digital imaging - Vivitar**

Cosina is the venerable camera company that has been making cameras and lenses for other brands since the 60s, and has long been Vivitar's primary manufacturer (the shock!). I think that Cosina made this camera for Vivitar and Foto-Quelle, and manufactured at least the body for the 7sII if not the entire thing under contract for Minolta.
