The required text in my college physics class was extremely unclear, so I asked my professor what his favorite text was. He told me that in over 30 years of teaching physics at college he likes this one and the first edition of this text the best. He calls it the bible of physics, and still turns to it to prepare for lectures.

Abstract. Despite the good reasons in which poor health could impede parenting, relatively little research considers this possibility. This study uses data from the Fragile Families and Child Wellbeing Study (N = 3,376) and propensity score matching to examine the relationship between maternal and paternal health limitations—health conditions that limit the amount or type of work one can do ...
