### **What Does Service Engine Soon**

Choose your car for a more accurate estimate. The Service Engine Soon Light could mean: It is time for scheduled maintenance-the light will illuminate according to the car's mileage and predetermined maintenance schedule. There is a minor problem, such as low oil levels. The Check Engine Light could mean:

### **What does the Service Engine Soon Light mean?**

Other Causes. The yellow or orange "service engine soon" light may mean something is wrong with your anti-lock brake or safety restraint systems, there is a computer problem in your car or something is wrong with your emission system. A cap left off one of your fluid containers can cause the light to turn on, as can an overdue oil change.

### **What Does Service Engine Soon Mean? | It Still Runs**

Meaning of the Service Engine Soon Light. The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **What Does the Service Engine Soon Light Mean ... - T3 Atlanta**

The service-engine-soon or check-engine light on a car's dashboard means that there is a problem with some component of the car's electronic control system. Always check the vehicle's owner's manual as soon as a check-engine light or other indicator illuminates in the dashboard. Keep Learning.

### **What Does the "service Engine Soon" Light Mean ...**

Service Engine Soon – This warning light can indicate almost anything from a loose gas cap to a serious knock in the engine. A loose or faulty gas cap can cause problems with the fuel sensor. The fuel sensor is responsible for monitoring gas usage and improving gas mileage. In some models, it can interfere with starting, among other difficulties.

### **What does service engine soon light mean? Learn how to ...**

The service engine light will first flash code 12 three times, then the trouble code three times, then code 12 three times again, and so on. After retrieving the code, check the operation of the sensor by using a multimeter. If the vehicle has more than 100k miles, replace the sensor, it is worn out.

### **What does the 'service engine soon' light mean - Answers.com**

The service engine soon light is often confused with the check engine light. The check engine light is a light to alert you to a possible problem with the exhaust and emissions systems. This will let you know when there is an excessive concentration of carbon monoxide being emitted through your exhaust system.
