manual and where the difference is considerable the operations are described separately. Engine designations and numbers are given on the number plate (See Workshop manual Group 21 Engine page 15). The engine designation and number should be given in all correspondence about the engine. This Workshop Manual has been developed primarily

### **Workshop Manual - Norsk Balladklubb**

About the worn cam: On the picture in the workshop manual of MD2 it looks like a replaceable part (I don't have a workshop manual of MD2B). Then it is replaceable without pulling the engine. I presume that the screw thread fastens while operating so I don't know whether it's a right or left turning thread. peregrine New member Username: peregrine
