Borland Database Engine 64 Bit

confident about getting the BDE installed and we don't have a 64 bit machine to test on. InstallAware lacks the "install the BDE" option that the old InstallShield had so we're going to have to do it by hand. I don't think we can even use Borland's "BDE stub" because that probably also contains InstallShield stuff that will fail on 64 bit.
