This category contains articles about "how-to" books, instruction manuals, and guides to other practical topics. See Category:Self-help books for books on popular psychology and self-improvement.

Category:Handbooks and manuals - Wikipedia

This Manual of Style is to help make the encyclopedia easier to read by having rules for its format. It is a style guide. The rules on this page are not the final word on Wikipedia style. One way is often as good as another, but if everyone does things the same way, Wikipedia will be easier to read and use, and easier to write and edit. These are not laws: they are rules that many editors have ...
