I am a owner of a BW'S 100. For an advice don't swap a 100cc engine cause a good 70 cc kit and proper pipe can outperform the stock 100cc engine 50 cc engine has lots of different parts whit 100 cc don't. You can not pass 8500rpm in stright and top speed is nearly 80-90 kmh but stock 100 cc is a kindly midrange engine and loves wheelies ☐☐
