The Prepositional Phrase Recognize a prepositional phrase when you see one. At the minimum, a prepositional phrase will begin with a preposition and end with a noun, pronoun, gerund, or clause, the "object" of the preposition. The object of the preposition will often have one or more modifiers to describe it. These are the patterns for a prepositional phrase:

Particles: the difference between WA and GA. UPDATE AUGUST 5, 2012: It's been two and a half years since I originally wrote this post, and thanks to the many helpful comments I was able to go back and polish things a bit. The content of the article has not really changed, but I think the wording is a little clearer now.
