Using Remote Control for Zune Sync Dock I have a Zune HD 16 and just bought the Zune HD Sync Dock. There are no instructions for the remote control buttons. I played around with it a bit and cannot access the full menu. I can go to the main menu but cannot select a genre, for example. Any help at all is appreciated. ...

3. If you don't see any picture on the TV after cabling the component jacks, there is a little switch on the back of the Zune dock that must be pushed toward the component jacks. Also, the black plate that hides the component jacks will not go back on the Zune dock until the switch is pushed back into its default composite position.
