The Brookstone Shiatsu Neck & Back Massager lets you reach tight and tired muscles all over your back, without having to make an appointment with a massage therapist. Raise or lower the handles to position the deep-kneading massage nodes at just the right spots. And get ready to feel more limber, relaxed and refreshed for the rest of the day.

Brookstone Sensor Clock Directions. It has an alarm feature as well as a built-in thermometer. It's namesake feature is a sensor-activated LCD screen. This screen lights up when you move your hand near the sensor. This feature saves battery life and can be turned on and off. Learning the other features on the clock will only take a matter of minutes.
