In my previous article, entitled "The Darkest Secrets Of The Vatican", I have explained the symbolism behind the "Holly See" (SS) and much more. If you haven't read the article, I suggest you to do so, before proceeding. Throughout the Vatican and all of Rome's churches, we will observe variations of the SS, which are signatures of the Roman Cult (the secret society controlling the Vatican and ...

Definition of words for belief systems and isms. Philosophical Isms. Here are 234 different isms, each representing a philosophical, political or moral doctrine or a belief system. In selecting terms for the list, I have deliberately avoided any word which apply ism to a personal name, so that Marxism doesn't count although it is otherwise an ideal candidate for the list.

Redated from March 2009. I was a Christian recently enough to remember what it felt like to really believe the Creator of the universe talked to me, to really believe I would go to heaven and unbelievers would go to hell, to really believe that prayer made a difference.. It sure felt like I really believed that stuff. And other Christians tell me they really believe that stuff, too.
