The mission of Defy the Issue as a community coalition involving Evesham, Medford, Medford Lakes, Mount Laurel, Shamong, Southampton, Tabernacle and Woodland is to educate families and residents of all ages about the dangers of illegal drug and alcohol use and to provide support for young people by empowering them to DEFY the pressures of drug and alcohol use.

Lenape High School / Overview

Journal Abbreviation Sources is a registry of Web resources that list or provide access to the full title of journal abbreviations or other types of abbreviated publication titles (e.g., conference proceedings titles).

All That JAS: Journal Abbreviation Sources

At first blush, AI in medicine is alive and well, with AIM researchers using a wide array of AI-inspired methods to tackle a broad range of important clinical and biological problems (see Table 1). However, although AI issues are ubiquitous in biomedicine, many people who are doing AIM research do not label it as AI.

The coming of age of artificial intelligence in medicine ...

The schools on this list represent the 30 best military-friendly colleges in the United States. While we'd agree there are certainly more than 30 colleges at which a veteran or active-duty military student would find success and support, we created this list based on the following methodology:

30 Best Military-Friendly Colleges

Management of end-to-end supply chain operations, encompassing logistics with 200 DCs/FCs, replenishment and flow, planning, forecasting, and food manufacturing for both e-Commerce and physical stores across 27 countries in Asia, Africa, Central America, South America, North America, and United Kingdom with over \$130B business

North American Manufacturing Excellence Summit

Professional certification, trade certification, or professional designation, often called simply certification or qualification, is a designation earned by a person to assure qualification to perform a job or task. Not all certifications that use post-nominal letters are an acknowledgement of educational achievement, or an agency appointed to safeguard the public interest.

Professional certification - Wikipedia

The Georgia School of Technology opened in the fall of 1888 with two buildings. One building (now Tech Tower, an administrative headquarters) had classrooms to teach students; The second building featured a shop and had a foundry, forge, boiler room, and engine room. It was designed for students to work and produce goods to sell and fund the school.

Georgia Institute of Technology - Wikipedia
