### What Is The Use Of

the state of being employed or used. an instance or way of employing or using something: proper use of the tool; the painter's use of color. a way of being employed or used; a purpose for which something is used: He was of temporary use. The instrument has different uses.

### Use | Definition of Use at Dictionary.com

willing to use any means to achieve her ends employ suggests the use of a person or thing that is available but idle, inactive, or disengaged. looking for better ways to employ their skills utilize may suggest the discovery of a new, profitable, or practical use for something.

### Use | Definition of Use by Merriam-Webster

- **IN USE** (adjective) The adjective IN USE has 2 senses: 1. (of facilities such as telephones or lavatories) unavailable for use by anyone else or indicating unavailability; ('engaged' is a British term for a busy telephone line) 2. currently being used. Familiarity information: IN USE used as an adjective is rare.

### What does in use mean? definition, meaning and ...

Usage Note: The verb use is used in the past tense with an infinitive to indicate a past condition or habitual practice: We used to live in that house. Because the -d in used has merged with the t of to and is not pronounced in these constructions, people sometimes mistakenly leave it out when writing.

### Use - definition of use by The Free Dictionary

the noun use is pronounced /yus/, with an /s/, in all its nominal forms. So the clause What use is lambda is pronounced /wət 'yusəz 'læmdə/. and not /wət 'yuzəz 'læmdə/, which would be What uses lambda. If your mind's ear hears the consonants, there isn't a problem.

### meaning - What does "What use is X" mean? - English ...

If I use commas to separate these items, my sentence looks like this: I bought shiny, ripe apples, small, sweet, juicy grapes, and firm pears. That middle part is a bit confusing—it doesn't give the reader many visual cues about how many items are in the list, or about which words should be grouped together.

### Semicolons, colons, and dashes - The Writing Center

To use English punctuation correctly, remember to always capitalize the first letter of a sentence, as well as the names of specific people, places, and things. Also, make sure you end a sentence with a period unless the sentence is a question, in which case you should end it with a question mark.

### How to Use English Punctuation Correctly (with Examples)

How to use "that is"? Ask Question 1. My question involves the usage of "that is." I would like to use this construction in such a way that it will provide further qualification to the previous passage or sentence. An example might be something like this: "However, it is far less clear whether the fluent processing of a word will have the ...
